## About Us

1 Medical Staffing Solutions, Inc. is a Minnesota based medical staffing agency providing staffing services to numerous Healthcare Facilities throughout the twin cities. Our clients are seeking reliable and experienced medical staff to fill positions on a temporary or permanent basis.

We offer professional medical staff when need the most. Our employed staff are qualified in their respective fields (RN, CNA, LPN, TMA, etc.). All employees prior to placement will have completed our in-house application process, training and a state required background check. We not only place individuals of impeccable character, but we also focus on the staff's ability to fit in the clients' work environment and culture.
